

Suneeta Reddy is the Managing Director of Apollo Hospitals, Asia's foremost and trusted healthcare provider. A member of the founding family, Suneeta Reddy started working with Apollo Hospitals in 1989. Under her stewardship Apollo Hospitals has emerged as a forerunner of integrated healthcare and it has a robust presence across the healthcare spectrum; the Group has touched the lives of over 45 million patients who have come from 121 countries.

Ms. Suneeta Reddy

Managing Director,
Apollo Hospitals Enterprises Limited

Spearheading the finance and strategy functions, Suneeta Reddy was instrumental in bringing the first FDI into healthcare in India and subsequently in taking the organization to the international equity markets through a successful GDR. It has been her deep domain knowledge and foresight that has guided Apollo's emergence as a formidable, financially sound hospital enterprise. In her extensive career, she has overseen several Greenfield and Brownfield projects. She steered the Apollo Reach Hospitals model to fruition and this was commended by World Bank as an innovation redefining both healthcare and healthcare design. Now, with a clear focus in making the company future ready, Suneeta Reddy is heading efforts to move Apollo Hospitals into a digitally enabled organization.

In addition to her responsibilities at AHEL, she is a Director on the Board of Apollo Munich-Re Health Insurance Company Ltd. She also serves on the Board of several Apollo Hospitals' Group companies. Through her close involvement, effort and patience, she has guided these companies on a path of growth and profitability. She is also the Chairperson of Aircel Cellular Ltd.

A key influencer in the Indian healthcare industry, Ms. Reddy is widely recognized for her contributions. She has held leadership positions including as Co-Chairperson of Healthcare Sub Committee - Confederation of Indian Industry (CII) and is a member in National Committee on Healthcare. She is also a member of the Harvard Business School India Advisory Board (IAB) and the Harvard Medical School Advisory Board.

Suneeta Reddy received her Bachelor of Arts degree in Public Relations, Economics and Marketing from Stella Maris College in Chennai. She holds a Diploma in Financial Management from the Institute of Financial Management and Research, Chennai and has completed the Owner / President Management Program at Harvard Business School (HBS), Boston, USA.

An avid fitness enthusiast, she is very mindful about healthy living and following a balanced diet. A compassionate and caring individual, Suneeta Reddy has provided financial aid to innumerable underprivileged patients, especially to children ailing with thalassemia.
