HEALTHCARE SKILLING COURSES GUIDE

OUR VISION

To be the most admired and preferred healthcare and allied education provider in the world.

OVERVIEW

Apollo Hospitals Group established Apollo MedSkills to build the capacities by skilling the unemployed youth, upskilling the healthcare professionals, providing them with employment opportunities across the nation and the globe. Apollo MedSkills has evolved as the most preferred and trusted healthcare skilling institution in India.

Apollo MedSkills Mission is to provide Quality Education for sustainable livelihood and become a trusted source of competent workforce for the global healthcare industry.

OUTREACH

- ✦ 45 Centres
- ✦ 25 States
- ✦ One lakh beneficiaries
- ✦ skilled across India

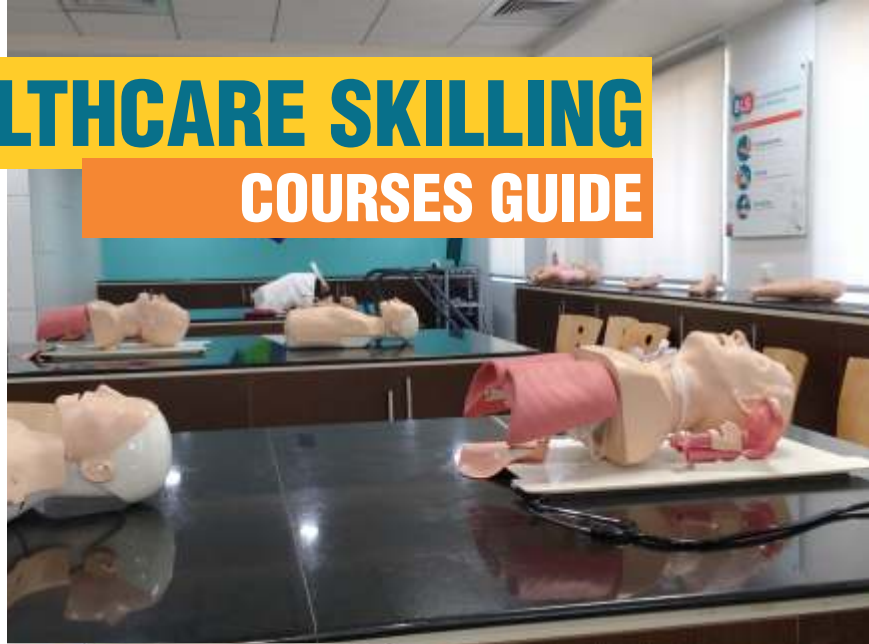

PARTNERSHIP

- ✦ 50+ Strategic Partnerships
- ✦ 200+ Placement Partnerships

Through our pan India network, we have made an impact on the lives and livelihoods of one lakh beneficiaries by focusing on building skills required for health care industry – the building block for the best patient care and healthy communities.

In India, Apollo MedSkills operates through 45 centres located in 25 states. Every Centre is focused on mobilizing, providing classroom training, on-the-job training, soft skills, language skills, computer skills, placement and post-placement support for each and every student. Healthcare industry needs a special and unique infrastructure set-up for building the skills of the youth; Apollo MedSkills state-of-the-art infrastructure empowers the beneficiary with both - theory and practical learning for the beneficiary thus ensuring their employability in the health care sector.

Every Centre of Apollo MedSkills manages multiple projects of government, civic bodies, private and public limited companies to skill, up-skilling and re-skilling the youth of the country for supplying skilled workforce for the health care sector to provide the best care for every patient.
