About Apollo Hospitals Enterprise Ltd. (AHEL)

Apollo revolutionized healthcare when Dr. Prathap Reddy opened our first hospital in Chennai in 1983. Today Apollo is the world's largest vertically integrated healthcare platform with 9,911 beds across 71 hospitals, 4,700 pharmacies and over 200 clinics and diagnostic centers as well as 150 telemedicine centers. It is the world's leading cardiac center with over 160,000 surgeries and the world's largest private cancer care provider. Apollo continues to invest in research to bring the most cutting-edge technologies, equipment and treatment protocols to ensure our patients have the best available care in the world. Our 100,000 employees are dedicated to bringing you the best care on earth and leaving the world better than we found it. For further details, log onto: www.apollohospitals.com
