

CLINICAL NUTRITION Update 2012 24th & 25th November, 2012

Apollo Hospitals Group, for over 29 years has continuously excelled to provide a multi-disciplinary, highly skilled state-of-art service to patients under one roof, supported by cutting edge medical technology and infrastructure. Being one of the largest hospitals group in the world, we are consistently ranked amongst the best hospitals globally for advanced medical services.

The philosophy of the Department of Dietetics in our Group is to establish and encourage good nutritional practices and standards as an integral part of the health care provided. Being patient-centric is not a goal, it is the core of our existence, in providing the highest quality nutrition care, to advancing practice of clinical nutrition, and to educate future Dietitians and other healthcare providers. We pride ourselves for constantly being on the cutting edge, and going the extra mile to stay relevant and revolutionary in the field of clinical nutrition which has helped us adopt an approach for quality improvement to benchmark our nutrition practices.

After successful completion of three Clinical Nutrition Updates, Department of Dietetics, Apollo Hospitals Group is delighted to announce the **4th Clinical Nutrition Update 2012** with the theme of **"The Journey of science to practice"** for all practising Dietitians of India on **24th and 25th November, 2012** at the **Silver Spring, Kolkata.**

The main goal of this update is to enhance the knowledge of the Dietitians by sharing the evidence-based best practices in Clinical nutrition, by the exchange of ideas and knowledge of experts (Eminent medical professionals and Dietitians) to facilitate research and to excel in clinical interdisciplinary collaborations, focusing on better nutrition practices.

We indeed take immense pleasure to invite and welcome you for the participation to our informative update.
