

# Restoring the rhythm of life

# Restoring the rhythm of life

## FACULTY PROFILE

**Dr. MAURO BIFFI M.D.,**  
Consultant Cardiologist and Electrophysiologist,  
Institute of Cardiovascular Diseases,  
Bologna University, Italy.

**Dr. SHEPHAL K.DOSHI M.D.,**  
Director, Cardiac Electrophysiology and Pacing  
Pacific Heart Institute, California, USA

**Dr. AMIT VORA M.D., D.M.**  
Arrhythmia Associates, Mumbai.

**Dr. S. JAYAPRAKASH M.D., D.M.**  
Sri Jayadeva Institute of Cardiology, Bangalore.

**Dr. RAKESH YADAV M.D., D.M.**  
All India Institute of Medical Sciences, New Delhi.

## PROGRAM CO-ORDINATOR

**Dr.A.M. KARTHIGESAN**  
Consultant Electrophysiologist  
Apollo Hospitals, Chennai  
Mobile : 80561 72261  
E-mail : apollohrs2011@gmail.com

## Apollo Heart Rhythm Summit 2011

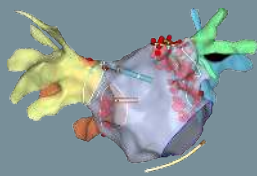

Date : 21st August 2011

Time : 9.00 am to 4.30 pm

Venue : Hotel Park Sheraton, Chennai

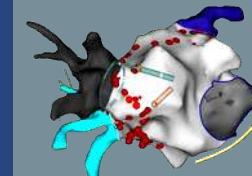

Dear Friends,

# Apollo Heart Rhythm Summit 2011

## - Agenda

Greetings from Apollo Hospitals, Chennai!

It gives me immense pleasure to cordially invite you to the **Apollo Heart Rhythm Summit 2011**, a day-long deliberation on **Arrhythmia Management** being held on **Sunday, 21<sup>st</sup> August 2011** at Hotel Park Sheraton, Chennai.

In the early eighties, Apollo Heart Institutes, Chennai had pioneered interventional cardiology and cardiac surgeries in India. Since then, this highly skilled cardiovascular team have performed over 10,000 angioplasties and 25,000 cardiac bypass surgeries.

To introduce cutting edge technology in the country, two years ago Apollo Hospitals Chennai had commissioned a dedicated Electrophysiology Service with state of the art facilities. Last year the world's latest **3D mapping technology [CARTO 3]** was launched at Chennai, a first in India. This contemporary technology enhances the accuracy in mapping and ablation of complex arrhythmias like atrial fibrillation and ventricular tachycardia. The services also include **Pacemaker Implantation, Heart Failure Device & AICD** implantations and follow-up.

Apollo Heart Institutes is committed to providing the world's best available cardiac care to patients.

Globally renowned National and International faculty will be making presentations at the Apollo Heart Rhythm Summit 2011. A video demonstration of complex arrhythmia ablation and an interactive forum will help clarify practical aspects of arrhythmia applications and provide guidance about appropriate clinical situations to refer patients for advanced heart rhythm treatment.

The Summit with a focus on the clinical aspects of arrhythmia and device management will be very informative and beneficial to the Cardiologists, General Physicians and Postgraduates.

We seek your participation to make the **Apollo Heart Rhythm Summit**, a Success.

### **Dr. Karthigesan A M**

Consultant Cardiologist & Electrophysiologist  
Program Co-ordinator

**Mrs. Preetha Reddy**  
Managing Director

### **Dr. Sathyamurthy I**

Director, Department of Cardiology

**Dr. Prathap C.Reddy**  
Chairman

### **I. WELCOME ADDRESS: 9.15am-9.30am**

### **II. BRADYARRHYTHMIA: 9.30 am – 11.00am**

1. **Evaluation and Treatment of Bradyarrhythmia**  
- Dr. Mauro Biffi 9.30am -10.00am
2. **Pacemaker follow-up- what physician should know?**  
- Dr. Rakesh Yadav 10.00 am-10.30am
3. **Evaluation of Syncope**  
- Dr. Karthigesan A M 10.30am-11.00am

**Tea break: 11.00am -11.15am**

### **III. TACHYARRHYTHMIA: 11.15 am – 12.45pm**

1. **Management of PSVT**  
- Dr. Amit Vora 11.15am-11.45am
2. **Approach to Wide QRS Tachycardia**  
- Dr. Rakesh Yadav 11.45am-12.15pm
3. **Ventricular Arrhythmia in Structurally Normal Heart**  
- Dr. Jayaprakash S 12.15pm-12.45pm

### **IV. Atrial Fibrillation Ablation by using CARTO 3 Mapping System- 12.45pm-1.30pm**

1. **Non pharmacological management of AF- who needs it?-**  
-Dr. Shephal Doshi video presentation

**Lunch break: 1.30pm -2.00pm**

### **V. ECG QUIZ: Dr. Amit Vora/Dr. Jayaprakash/Dr. Mauro Biffi/ Dr. Rakesh Yadav - 2.00pm-3.00pm**

### **VI. HEART FAILURE AND SUDDEN CARDIAC ARREST: 3.00pm-4.30pm**

1. **CRT Implantation – Latest clinical evidence on Patient Selection and Response to Therapy** - Dr Mauro Biffi 3.00pm-3.30pm
2. **Sudden Cardiac Arrest – Primary and secondary prevention**  
– Dr Amit Vora 3.30pm-4.00pm
3. **Management of Complex Arrhythmias - Role of 3D mapping & RF ablation** - Dr S Jayaprakash 4.00pm-4.30pm

### **VII. Vote of thanks**
