The Company proposes to raise additional capital by way of a further issue of securities through Qualified Institutional Placement (QIP), which may be utilised towards the following purposes:

**(1) Financing acquisition of the 50% equity stake held by GDPL in AGHL:**

Financing, in part, acquisition of the 50% equity stake held by Gleneagles Development PTE Ltd (“GDPL”), Singapore in Apollo Gleneagles Hospital Limited (“AGHL”), Kolkata, in which the Company currently holds a 50% equity stake, at a consideration of Rs 4.10 billion, pursuant to execution of the definitive share purchase agreement dated November 11, 2020 entered into between the Company, GDPL and AGHL. Consequent to this development, AGHL, which is an associate company of the Company, would become a 100% wholly owned subsidiary of the Company, with accounts thereof being consolidated 100% within AHEL. We believe this acquisition is a strong demonstration of our strategic focus, in line with our intent of growing our core healthcare delivery services in the Eastern Region of the country.

**(2) Funding inorganic growth opportunities:** The impact of COVID-19 on healthcare institutions has resulted in opportunities for bolt-on acquisitions in select markets, where there is strong strategic focus for Apollo Hospitals. Our effort to raise funds is to be in a state of readiness to take advantage of those opportunities as and when they may arise. We believe this readiness will enable us make decisive moves in further cementing our position as a leader in private Indian healthcare.
