ARRHYTHMIA

SUMMIT 2024

Sunday, 4th February 2024 | Hotel ITC Grand Chola, Chennai.

Dear Colleagues,

Greetings from **Apollo Hospitals !**

On behalf of Apollo Heart Institutes and Arrhythmia Awareness Academy, I would like to invite you to participate in **“Arrhythmia Summit 2024”** which will be held on Sunday, 4th February 2024 at Hotel ITC Grand Chola, Chennai.

Arrhythmia Summit 2024 provides an opportunity for cardiologists, cardiac physicians, intensivists and general physicians to update their knowledge in the field of Cardiac Arrhythmias, Electrocardiology and Heart Failure Management. Prominent international and national cardiac electrophysiologists will share their knowledge in the diagnosis and treatment of patients with heart rhythm disorders. This interactive ECG-based symposium will focus on clinical case scenarios which will help you to understand the practical aspects of arrhythmia management and indications for interventional treatment.

We seek your presence and active participation.

Learning Objectives

- Recognize the electrical signatures of common arrhythmias and select optimal treatment approaches
- Apply current guidelines and recent clinical trial evidence for the management of heart failure
- Diagnosis and management of Atrial Fibrillation
- Prevention of Sudden Cardiac Arrest

Program Highlights

- Evaluation of Bradycardia
- Tachyarrhythmia Management
- Cryo Balloon Ablation
- Advancements in AF Management
- Syncope Management
- Sudden Cardiac Arrest Prevention
- Newer Drugs and Device therapy in HF
- Interactive ECG Discussion
