

# 13th Radiology Resident's HOT SEAT

*Review Course - 2022*

## Onsite & Online

# DelRad

Radiology Resident Courses

### **"Exam-oriented Comprehensive Course for Radiology Post-Graduate Students".**

#### **Course Highlights**

- ❖ ONSITE course with ONLINE zoom transmission.
- ❖ Multi - System, Multi - Modality Course Curriculum.
- ❖ Case - based HOT SEAT Review Sessions.
- ❖ Film Reading Session - Mixed Unknown Cases.
- ❖ Mock Exams Sessions ( 1 Examiner - 1 Student )
- ❖ OSCE Sessions (Exam - Format) - Practice Sessions.
- ❖ Spotter Sessions (Exam - Format) - Practice Sessions.
- ❖ Demo Session 1 : Drugs and Devices in IR.
- ❖ Demo Session 2 : Procedures and Barium Studies.
- ❖ Demo Session 3 : Radiological Contrast Media.
- ❖ Demo Session 4 : Radiation Equipments.
- ❖ Short Teaching Sessions - Rad' Pearls and Pitfalls.
- ❖ Short Teaching Sessions - Radiology Anatomy.
- ❖ Certificates of Appreciation / Distinction.
- ❖ Extended 8 AM - 8 PM sessions..
- ❖ PDF of select Course material.

**19<sup>th</sup>, 20<sup>th</sup> & 21<sup>st</sup> August 2022**

**Auditorium, Indraprastha Apollo Hospital  
Sarita Vihar, New Delhi, India**

# 13<sup>th</sup> Radiology Resident's HOT SEAT Review Course-2022

## 19<sup>th</sup>, 20<sup>th</sup> & 21<sup>st</sup> August 2022

**Course highlights:** 13th Radiology Resident's HOT SEAT Review Course is an exam-oriented comprehensive course for Radiology post-graduate students with multi-system, multi-modality course curriculum.

The main course will be conducted in hybrid mode with ONSITE & ONLINE options on 19th, 20th & 21st August 2022. The course curriculum covers syllabus for MD and DNB courses in India. The course schedule extends from 8AM to 8PM with intermittent breaks to ensure greater focus and concentration along with maximum value for money.

**Case-based HOT-SEAT Review Sessions** for different body systems with interactive discussions and relevant learning points will remain the key feature of the course. The students will have the option to attend the session as either HOT SEAT volunteer or as observer.

**Film Reading Session** (multi-system unknown cases) will be conducted on day 3 for the selected students based on their performance during the Hot Seat sessions, while the remaining students will observe the film reading session.

**Demo sessions** will cover the basics of 'Drugs & Devices in Interventional Radiology [IR]'. Additional demo sessions will include 'Radiological Contrast Media', 'Radiology procedures including Barium, HSG & MCU' and 'Radiography/Radiation equipment from examination perspective.

**Short Teaching Sessions** - 'Imaging Pearls & Pitfalls' and 'Case-based reviews' will focus on key topics and exam questions in Radiology MD and DNB exams.

**OSCE sessions** with Q&A, discussions and scoring will prominently feature in the 13th course, as practice sessions for the DNB final exams.

**Spotter sessions** will continue in the 13th course as extensive practice sessions in the evening.

**Radiological anatomy sessions** will also feature in the 13th course as short teaching sessions for key body regions. This will help the students to improve their description of radiological findings.

**Mock Exams** will be conducted ONLINE as separate 'add-on session' on a later date close to the final exams [to be announced]. This will require separate registration and will only have 25 seats. The format for the Mock Exams is exactly same as the final DNB practical exams and will have OSCE session in the morning followed by parallel viva sessions with 'one student and one examiner', without any observers. Relevant feedback will be provided to the students after the session for self-assessment. Table viva sessions will include viva sessions on Radiology procedures, Contrast Media, Radiation equipment and Regulations / Recent advances in Radiology for each student. The scores for each section of the exam will be shared with the respective students along with relevant feedbacks for further improvement in the final exams.

This three-day course is primarily aimed at Radiology post-graduate students who will be appearing for their MD or DNB examinations in Radiology. ONSITE course registration will offer complete benefits with options to attend or observe the Hot Seat or Film Reading Sessions. ONLINE course registration will allow students to observe the complete course with restricted interaction with the course faculty. These students will NOT be able to sit on the Hot Seat. Certificates of Appreciation will be given to the select students based on their performance during the HOT SEAT Reviews and Film Reading Sessions. Top-scorers in OSCE and Spotter sessions will also be rewarded. Certificates of Distinction will be awarded to the TOP THREE students for the overall performance during the course. PDF of select course material will be provided after the course.

**This comprehensive exam-oriented preparatory course is an excellent opportunity for the Radiology post-graduate students to ENHANCE their performance in the forthcoming examinations and also in their future careers as a Clinical Radiologist.**

# 13<sup>th</sup> Radiology Resident's HOT SEAT Review Course-2022

## Program Schedule

19<sup>th</sup>, 20<sup>th</sup> & 21<sup>st</sup> August 2022

### Day 1 Date: 19th August 2022

- Hot Seat Reviews – Chest & Cardio-Vascular Radiology.
- Demo Sessions - Interventional Radiology for Exams.
- Teaching session - Radiological Anatomy.
- Teaching Session – Pearls & Pitfalls.
- OSCE / Spotter Sessions.

Time	Topic
08:00-09:00 am	Registration and Course Login
09:00-09:30 am	Preparing for Radiology examinations - Tips & tricks for image interpretation.
09:30-10:00 am	Radiological Anatomy – Chest & Abdomen
10:00-10:30 am	Tea / Coffee / Snacks Break
10:30am-01:00 pm	'Hot-Seat' Reviews - Chest & Cardiovascular Radiology
01:00-02:00 pm	Lunch
02:00-04:00 pm	Demo Session 1 Drugs & Devices in IR Exam-based demonstration of IR drugs & devices
04:00-04:30 pm	Teaching Session Pearls & Pitfalls in Chest & Abdominal Radiology
04:30-05:30 pm	OSCE Session 1 - Q/A & Discussion
05:30-06:00 pm	Tea / Coffee / Snacks Break
06:00-08:00pm	Spotters Session 1: Practice-sessions & Faculty-assessment
<ul style="list-style-type: none"><li>• All main course sessions will be broadcasted live through the ZOOM platform for the ONLINE attendees.</li><li>• Online attendees will be able to observe the complete course with restricted interaction with the course faculty.</li><li>• The option to sit on the Hot Seat will be available to the ONSITE attendees only.</li></ul>	

# 13<sup>th</sup> Radiology Resident's HOT SEAT Review Course-2022 Program Schedule

19<sup>th</sup>, 20<sup>th</sup> & 21<sup>st</sup> August 2022

## Day 2 Date : 20th August 2022

- Hot Seat Reviews - Abdominal Radiology.
- Hot Seat Reviews - Pediatric Radiology.
- Demo Sessions - General Radiology.
- Teaching Session - Radiological Anatomy.
- Teaching Session – Pearls & Pitfalls.
- OSCE / Spotter Sessions.

Time	Topic
08:00-08:30 am	Registration and Course Login
08:30-10:00 am	'Hot Seat' Reviews - <b>Pediatric Radiology</b>
<b>10:00-10:30 am</b>	<b>Tea / Coffee / Snacks Break</b>
10:30am-01:00 pm	'Hot-Seat' Reviews - <b>Abdominal Radiology</b>
<b>01:00-02:00 pm</b>	<b>Lunch</b>
02:00-03:40 pm	OSCE Session 2 <b>Practice-sessions &amp; Faculty-assessment [100min]</b>
03:45-05:15 pm	Demo Sessions: General Radiology <ul style="list-style-type: none"> <li>- <b>Session 2A.</b> Barium studies: Image interpretation and description [30min].</li> <li>- <b>Session 2B.</b> HSG &amp; MCU/RGU: Image interpretation and description [20min].</li> <li>- <b>Session 3.</b> Radiography / Radiation Equipments [20min].</li> <li>- <b>Session 4.</b> Radiological Contrast Media [20min]</li> </ul>
05:15-05:30 pm	OSCE Session 2 - <b>Q/A &amp; Discussion of Answers</b>
<b>05:30-06:00 pm</b>	<b>Tea / Coffee / Snacks Break</b>
06:00-08:00pm	Spotters Session 2: Discussions & Self-assessment <ul style="list-style-type: none"> <li>• All main course sessions will be broadcasted live through the ZOOM platform for the ONLINE attendees.</li> <li>• Online attendees will be able to observe the complete course with restricted interaction with the course faculty.</li> <li>• The option to sit on the Hot Seat will be available to the ONSITE attendees only</li> </ul>

# 13<sup>th</sup> Radiology Resident's HOT SEAT Review Course-2022

## Program Schedule

19<sup>th</sup>, 20<sup>th</sup> & 21<sup>st</sup> August 2022

### Day 3 Date : 21st August 2022

- Hot Seat Reviews – Neuro / Head & Neck Radiology.
- Teaching session - Radiological Anatomy.
- Teaching Sessions – Pearls & Pitfalls.
- Multi-System Film Reading Sessions.

Time	Topic
08:00-08:30 am	Registration and Course Login
08:30-10:00 am	'Hot Seat' Reviews - Neuro Radiology
10:00-10:30 am	Tea / Coffee / Snacks Break
10:30am-11:00 am	Radiological Anatomy - Musculo-Skeletal system
11:00am-01:00 pm	'Hot Seat' Reviews - Musculo-Skeletal Radiology
01:00-02:00 pm	Lunch
02:00-02:30 pm	Radiological Anatomy Brain, Spine and Head/Neck Regions
02:30-03:00 pm	Pearls & Pitfalls - Neuro / Musculo-Skeletal Radiology
03:00-06:00 pm	Film Reading Session – Multi-system Cases - Unknown Cases on Osirix Dicom Viewer – All Systems. - Select students based on the performance in Hot Seat Reviews. - Rest of the students will observe.
06:00-06:15 pm	Tea / Coffee / Snacks Break
06:15-06:30pm	Announcement of Top Performers - Certificate of Distinction. - Certificate of Appreciation. - OSCE Top Scorers.
<ul style="list-style-type: none"><li>• All main course sessions will be broadcasted live through the ZOOM platform for the ONLINE attendees.</li><li>• Online attendees will be able to observe the complete course with restricted interaction with the course faculty.</li><li>• The option to sit on the Hot Seat will be available to the ONSITE attendees only.</li></ul>	

# 13<sup>th</sup> Radiology Resident's HOT SEAT Review Course-2022

19<sup>th</sup>, 20<sup>th</sup> & 21<sup>st</sup> August 2022

## COURSE FACULTY [and their present affiliations]:

1. **Dr. Sapna Singh**  
Maulana Azad Medical College, New Delhi.
2. **Dr. C.P.S Chauhan**  
Jaypee Hospital, NOIDA.
3. **Dr. Rohini Gupta**  
Safdarjung Hospital and VMMC, New Delhi.
4. **Dr. Vaibhav Nichat**  
Apollo Hospital Chennai.
5. **Dr. Dharendra**  
Jaypee Hospital, NOIDA.
6. **Dr. Perna Saraswat**  
Indraprastha Apollo Hospital, New Delhi.
7. **Dr. Surbhi Gupta**  
Indraprastha Apollo Hospital, New Delhi.
8. **Dr. Sandeep Vohra**  
Indraprastha Apollo Hospital, New Delhi.
9. **Dr. Nidhi Goyal**  
Indraprastha Apollo Hospital, New Delhi.
10. **Dr. Nitin P. Ghonge**  
Indraprastha Apollo Hospital, New Delhi.

# 13<sup>th</sup> Radiology Resident's HOT SEAT Review Course-2022
