

**Basic Pediatric Electrocardiography Training Workshop**  
organized by  
**Department of Pediatric Cardiology and Cardiac Surgical Unit**  
(Indraprastha Apollo Hospitals, New Delhi)

Dear Sir/Madam,

With request from physicians, pediatricians, intensivists and post graduate students, we have planned for a basic pediatric electrocardiography training workshop. We are pleased to inform you that the programme will be held on

**17<sup>th</sup> January 2016, 9 am to 3 pm**

Our main aim will be to provide basic knowledge to candidates that will take off all their anxiety regarding understanding and interpreting the pediatric ECG.

The programme includes sessions covering the following topics accompanied by tea and lunch

- Basics of pediatric ECG
- How to read a pediatric ECG
- Transitional changes from neonatal to adult ECG
- Abnormal ECG – noncardiac causes
- ECG in heart diseases
- Pediatric rhythm disorders (tachy and bradyarrhythmias)
- Quiz and interactive sessions for practical training

Candidates will get the ECG training certificate on behalf of Apollo Hospital. We expect the course to be very fruitful and help in analysing pediatric ECG's with full confidence.

The registration fees for the programme is Rs.1500 only and can be deposited in form of cash /DD payable to Indraprastha Medical Corporation Ltd New Delhi.
