6th RADIOLOGY RESIDENT'S 'HOT SEAT' REVIEW COURSE – 2018

Date : 16th, 17th & 18th February 2018

Venue : Auditorium, Indraprastha Apollo Hospitals, New Delhi

Dear Colleagues

We have organized 6th Radiology Resident's 'Hot seat' Review Course on 16th, 17th & 18th February 2018 at Auditorium, Indraprastha Apollo Hospital, New Delhi, INDIA.

6th Radiology Resident's 'Hot seat' Review Course is an **exam-oriented comprehensive course for post-graduate Radiology students with multi-system, multi-modality course curriculum**. The highlights of the course include 'Case-based Hot-seat Review Sessions' and 'Viva Sessions on unknown case films' for real-exam simulation along with individual feedbacks. Demo sessions will cover 'Drugs & Devices in IR', 'Radiological Contrast Media', 'Radiological Procedures' and 'Radiography/Radiation Equipments' in small groups. 'Short teaching sessions', extensive 'Spotters Sessions' and 'Nuclear Medicine-cases & spotters' are other key components of the course.

This **three-day course** is primarily aimed at Radiology residents who will be appearing for their MD, DNB or DMRD examinations or any other post-graduate course in Radiology. **Certificates of appreciation and spot prizes will be given to the registered students based on their performance during the 'hot-seat reviews', viva sessions and spotters. Soft copy of select course material will also be provided.** This comprehensive preparatory course is an excellent opportunity for post-graduate Radiology students to **enhance their performance in the forthcoming examinations**
