4:00 pm – 4:15 pm	Vote of Thanks	
4:15 pm – 4:30 pm	Tea	

INVITATION

8th of November is celebrated as World Radiography Day. This day marks the anniversary of production and detection of X-Rays in 1895 by Wilhelm Conrad Rontgen. Indraprastha Apollo Hospitals, in collaboration with Indian Society of Radiographers and Technologists is celebrating the day to commemorate this discovery. A CME programme is being organised with the aim to promote awareness of role of imaging and therapy in diagnosis and management of patients. The burning topic of Radiation Safety will be addressed, contributing to improvement of quality of patient care.

You are cordially invited to join us on the occasion of **WORLD RADIOGRAPHY DAY** and **CME** for Radiographer on 08th November 2015 (Sunday) at Indraprastha Apollo Hospitals New Delhi.

We look forward to your participation and hope that the insights shared coupled with personal interactions would provide you with a good learning experience.

Students are requested to participate with full zeal and gusto. Poster Presentations and Quiz Competition with attractive prizes is being organized.

Best regards
Organising Team

Registration will be on first come first get basis. **(Last Date for Registration – 31.10.2015)**

Please fill the form and email to - apolloradiologycme@gmail.com

Conference kit will not be provided to on spot Registration
