CONCLAVE
2023**

4th & 5th February, 2023

Dear colleagues,

Warm greetings from the charming city of Hyderabad,

We are happy to announce the “APOLLO NEURO CONCLAVE” to be hosted on February 4th and 5th, 2023 at The Trident Hotel, Hitech-City, Hyderabad. The detailed scientific program is enclosed.

The Neuro Conclave brings together the doyens of Neurosciences working in Apollo Hospitals group in various cities across India. Apollo Hospitals are known to provide the best Clinical Care to its patients. This academic feast would enrich the knowledge of participants and help them provide better care to their patients.

We welcome you to attend the Apollo Neuro Conclave, which in addition to knowledge sharing, would also provide an ideal platform to exchange views & opinions, and take the collaboration between Neurologists and Neurosurgeons of Apollo Hospitals group to the next level.

Regards,

Dr. Sudhir Kumar

MD, DM Organizing Secretary,
Apollo Neuro Conclave
