Nursing Team with Group Director Nursing

Faculty of School of Nursing

ALUMNI OF APOLLO SCHOOL OF NURSING

Ms. Nagma
8th Batch
(2008-2012)

I embarked on my nursing journey as a student at Apollo School of Nursing (2008-2012) with dreams in my eyes and a passion to serve. From those early days of learning and training to stepping into the real world of patient care, every moment has been a lesson, a challenge, and a stepping stone.

I was fortunate to be supported by incredible teachers whose guidance and mentorship helped me overcome obstacles and gave me the confidence to face the challenges of the nursing profession. Today, I stand proud as a Lead Nursing Administrator Band -4, a role that reflects not just my growth but the unwavering support and guidance I have received along the way. My journey has been shaped by hard work, perseverance, and above all, the mentorship of my Boss, whose leadership and vision have been instrumental in my progress.

From bedside care to administrative responsibilities, my transformation in nursing has been nothing short of inspiring. I am deeply grateful to Apollo Hospitals for providing a platform where learning never stops and opportunities are endless. Nursing is not just a profession for me—it is my calling, and I am honored to contribute to the legacy of excellence that Apollo upholds.

This journey is still ongoing, and with every step, I continue to learn, grow, and aspire to make a difference.

Ms. Tsering Dolkar lama
10th Batch
(2010-2014)

I am proud to be 2014 graduate of ASON.

Studying at Apollo School of Nursing was an incredible experience that shaped both my career and personal growth. The college environment was safe and vibrant, making learning enjoyable and fulfilling. The institution provided me with an excellent foundation in both theoretical knowledge and hands-on clinical training. The dedicated faculty members were not only knowledgeable but also incredibly supportive, ensuring that every student gained the confidence and skills needed to excel in the nursing profession. Thanks to the strong foundation I built there, I was able to work as Nursing incharge at International Friendship Children Hospital, one of renowned hospital here in Nepal. I highly recommend Apollo School Of Nursing to anyone looking to peruse a rewarding career in healthcare.

Ms. Ratna Luthra
14th Batch (2014-2018)

I am Ratna Luthra, a proud alumnus of Apollo School of Nursing, and I successfully passed out in 2018. Today, I am happy to share that I am working abroad, and I feel honored to look back at the strong foundation my institution gave me. When I joined Apollo as a nursing student, I entered with dreams, hopes, and the desire to build a meaning career in healthcare. My journey as a student was full of learning, discipline, and personal growth. The guidance of my teachers, the support of the faculty, and the training I received at Apollo not only helped me gain nursing knowledge and clinical skills, but also taught me confidence, responsibility, time management, teamwork and compassion towards patients. The encouragement and values I received during my student life continue to guide me even now in my professional journey abroad. I am truly grateful to all my respected teachers and mentors who believed in me and helped me move forward step by step. Their dedication and support laid the foundation of my career and inspired me to achieve my goals. Today, as I work overseas, I carry with me the knowledge, ethics, and confidence that Apollo gave me. I feel proud to be an Apollo student and will always remain thankful to my alma mater for being such an important part of my success.

Ms. Kabita Das
17th Batch (2017-2020)

I am Kabita Das, one of the registered nurses in Indraprashtha Apollo Hospital. I have been worked in Pediatric unit from 2021 to 2024, after that from 2025 to till now serving as a Nursing officer in the Surgical ICU department, with over 5 years of experience in the healthcare field. I would like to share my journey with Apollo, which began when I joined as a nursing student. At that time, I was uncertain and anxious about stepping away from my home town to pursue my training. However, the unwavering support and guidance from the faculty and our respected Principal Ma'am made all the difference. They not only mentored me academically but also nurtured me like family, helping me overcome every challenge during my formative years. Apollo School of Nursing has played a pivotal role in shaping my personality and career. It helped me build strong leadership qualities, effective time management, teamwork skills, enabling me to grow both personally and professionally. One of the most enriching aspects of this institution is the opportunity to interact with students from diverse cultures and backgrounds. The combination of world class faculty and modern teaching methods creates an environment that truly fosters excellence. I am truly grateful to my teachers, who laid a strong foundation for my career and believed in my potential to achieve my goals. Today, I feel honored to be a part of such a prestigious organization and immensely proud to be called an "Apolloite".
