

Independent Auditor's Report on Financial Statements

To
The Members of
TOTAL HEALTH

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **Total Health** ("the Company"), which comprise the Balance Sheet as at 31st March 2026, the Statement of Income and Expenditure, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, its surplus, other comprehensive income, changes in equity and cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SA"s) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide any separate opinion on these matters. As per our professional judgement, there are no significant key audit matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As there are no material misstatements in regard of other information referred herein, we have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS), including the accounting standards specified under Section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and quantitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determined those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matter. We described these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As the Companies (Auditor's Report) Order, 2020 is not applicable to a company registered under Section 8 of the Companies Act, 2013, the requirements of CARO, 2020 were not reported.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Income and Expenditure including Other Comprehensive Income, Statement of Changes in Equity, and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts;
 - (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the directors as on 31st March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2026 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Sec 197(16) of the Act, as amended, none of the directors was paid remuneration;

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company did not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. With respect to compliance of Sec 123 of the Act, the Company has not paid any dividend during the year.

- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023.

Accordingly, based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

“ANNEXURE - A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls over financial reporting of Total Health (the “Company”) as of 31st March 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to Ind AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting with reference to Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on the criteria for internal control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

TOTAL HEALTH

(A Company licensed under Sec 8 of the Companies Act, 2013)

U85100TN2013NPL093963

Notes forming part of Financial Statements as at March 31, 2026

(All amounts are in INR Lakhs unless otherwise stated)

1.1 Corporate Information

Total Health (hereinafter referred to as "TH"), incorporated in the year 2013, is a non-profit entity registered under Section 8 of the Companies Act, 2013. It is a wholly owned subsidiary of Apollo Hospitals Enterprise Limited (AHEL), which serves as its CSR arm.

It is also registered under Section 12A(a) of the Income Tax Act, 1961 and obtained exemption under Section 80G of the Income Tax Act, 1961 for availing tax exemption benefits by the donors.

It is also registered under Foreign Contribution (Regulation) Act, 2010 and entitled to receive foreign contributions.

Activities

The Total Health program fosters a holistic approach to well-being by promoting and safeguarding health, preventing diseases, providing access to hygienic and nutritious supplements, ensuring sanitation and access to potable water, offering educational opportunities, supporting livelihoods, encouraging the establishment of kitchen gardens, preserving ecological balance, and facilitating community infrastructure development based on identified needs. Its activities can be broadly classified as under:

I. PEOPLE

Healthcare

a) Mobile Clinics

TH introduced a "Mobile Clinic" which caters to health care requirements inclusive of investigations for all the people in Thavanampalle and Irala Mandal, with periodic visits to the hamlets and villages at their doorsteps. Quality Primary Health Care services are delivered to the community through mobile clinics which include examination, basic investigations, counselling and prescribing the required medication. Need based special health care camps are also organized with help of specialists from Apollo Hospitals at Aragonda and Chennai. Mobile clinics deliver services on a weekly basis in the villages from 35 Gram Panchayats covering 176 habitations with a population of about thirty thousand plus.

b) Satellite Clinics

Satellite Clinics were started in 2015 with the objective to deliver primary health care services at the doorstep for basic ailments and non-communicable diseases (with more emphasis on hypertension and diabetes). The three clinics at Thavanampalle village, Irala village and Amrabad can provide health care services for about eighty thousand people from 143 Villages/Pentas.

c) Health Camps

Conducted general health camps, outreach camps, gynaecological screening camps, eye screening, hearing screening and cancer screening camps to provide good health to the community people.

d) Yoga

Candidates from the community, trained at SVYASA University, Bangalore started yoga classes for the community.

Yoga instructors of Aragonda in coordination with Arrjava Warriors increased the number of sessions in community yoga.

The community yoga has now expanded its operation in Krishnapatnam and Amrabad.

Integrated Yoga Program under "Stop Diabetes Movement" for prevention and management of type 2 diabetes mellitus is being organized to mitigate the complications of diabetic mellitus.

e) Inaugurated Evening and Sunday Clinics at Thavanampalle

Initiated Sunday and Evening clinics based on community requests to give easy access and availability of services.

f) AYUSH Wellness Clinic

Total Health began the practice of Ayurveda in November 2015 in Aragonda as a pilot project. The aim was to recreate an interest and restore faith in traditional Indian systems of healing. The delivery mechanism was restructured, so people were more open to receiving it in a clinical setting. Along with outpatient treatment, therapies like panchakarma were also introduced.

Health – Nutrition

a) Geriatric Nutrition Centres

TOTAL HEALTH

(A Company licensed under Sec 8 of the Companies Act, 2013)

U85100TN2013NPL093963

Notes forming part of Financial Statements as at March 31, 2026

(All amounts are in INR Lakhs unless otherwise stated)

The main objective of the geriatric nutrition centres is to improve the quality of life of seniors who are unable to support themselves and have no family support. They are offered hot meals six days a week. Consistent access to nutrition helps tackle physiological changes that occur with age, so disease and disability are prevented. Not only this, when the elderly come together for their meal, they experience a sense of community and a feeling of being cared for by those who serve them from the village. At present TH is maintaining four Geriatric Centres out of which three are in Chittoor Dist. of Andhra Pradesh and one in Amrabad, Telangana.

b) Central Kitchen

To provide healthy and hygienic food to elderly people and the working women group, a Central Kitchen was built at Total Health Complex, Aragonda.

c) Nutrition Garden (NG)-Kitchen Garden

A sustainable agricultural model is followed to meet the dietary requirements of marginal rural households. There are 3 models based on availability of land and water – family-based model, community owned model and institution-based model. Locally available materials like cow urine, biomass, native seeds etc. are used. This is a solution for malnutrition wherein nearly half of our children aged less than 3 years are being underweight, 52 percent of women and 74 percent of children are anaemic. NG produces a mix of leafy vegetables, creepers, roots and tubers, fruits, medicinal plants, etc. throughout the year.

d) Kitchen Garden – Seeds/Saplings Distribution

There are farmers with the traditional practice of growing vegetables in their backyards. But the types of vegetables produced are very less, and the seeds used are of poor quality due to lack of awareness on seed standards and management practices. Thus, in such cases, farmers are supplied with quality seeds of diverse vegetables coupled with capacity building training on seed improvement and seed production. It involves efficient and meaningful use of crop residues, household wastes, water etc. Hence, farmers save money and it helps to generate additional income.

e) Polyhouse (Agriculture)

TH is motivating local farmers to adopt alternative farming practices with multi-crop focus. It organizes meetings with the farmers periodically to educate them in innovative agriculture techniques.

f) TB Mukht Bharat

Total Health has adopted numerous patients, totalling around 600 individuals, and provides them with monthly nutrition kits.

Health - WASH

Our aim with this programme is on three levels: providing access to clean drinking water; providing the tools needed to maintain a hygienic environment; and spreading awareness on healthy habits around cleanliness.

a) Rapid Sand Filters

In Aragonda, Total Health established 16 potable drinking water plants (initially RO and currently Rapid Sand Filtration plants) in conjunction with the Gram Panchayats, to service individual households. While Total Health ensures regular maintenance of the equipment, the units are managed by the community as a business. In Amrabad, water scarcity is tackled by helping forest dwellers conserve water through various measures. Water purification tablets are also distributed within the pentas. In addition to these measures One RO Plant also established in Amrabad region.

b) Sanitation Program

TH strengthened the government schools in Aragonda village by extending the child centric infrastructure support for the school sanitation facilities and by providing continuous housekeeping support.

c) Arogya Rakshak Project

This is a platform in conjunction with Reckitt Benckiser, for school children, teachers, and health workers in Chittoor to be on the same platform. So far, many schools, almost all government-run, have been on-boarded across 6 mandals. Hygiene corners have been established with children taught about handwashing and menstruation in a play way method and awareness drives conducted. Trainers are locally employed, and liaise with the schools, the government, Reckitt, and Total Health.

India's first Hygiene Play Park set up; hygiene education taken to many schools to reduce absenteeism. Training initiated.

TOTAL HEALTH

(A Company licensed under Sec 8 of the Companies Act, 2013)

U85100TN2013NPL093963

Notes forming part of Financial Statements as at March 31, 2026

(All amounts are in INR Lakhs unless otherwise stated)

Organised children's first hygiene parliament by Arogya Rakshak team in Chittoor with a good number of students from Government schools.

Provided awareness sessions on menstrual health and hygiene and distributed reusable sanitary napkins to many school children and Chenchus.

Performed customised "Chakka Bhajana" song in schools for many students in Chittoor to help them understand the importance of hygiene, and distributed hygiene buddy kits to the students.

Livelihood

a) Vocational Training - Economic Development (Candle Making, Jute and Apparel)

Unemployed rural women can upskill themselves and generate income through Total Health's tailoring programme. It comprises courses designed in making apparel and jute products. The Aragonda centre, established in 2014, has all the required infrastructure facilities with the latest machinery. Since its inception, more women have undergone training. In Amrabad, 120 women have found employment at the jute packaging workshop and other livelihood.

b) Air-Conditioning & Refrigeration Course

The use of refrigerators and air-conditioners is permeating the lifestyles of rural and semi-urban communities. Here, there is a large gap between the demand and supply of skilled people who can take up servicing and repairing of these devices. Recognizing this need, Total Health started the R&AC training centre in Aragonda for men between 17 and 30 years in 2018. The three-month curriculum is in collaboration with Blue Star Ltd, which has provided state-of-the-art training models. Recently started R&AC training centre in Amarabad.

Community Engagement

In addition to medical interventions, we recognize the significance of lifestyle modifications and healthy habits in improving health outcomes for individuals with non-communicable diseases (NCDs) and those susceptible to illness. With this in mind, Total Health endeavors to cultivate a sense of community and shared health experiences among individuals. Furthermore, Total Health has made investments in sports infrastructure and events in Aragonda and Amrabad.

a) Health Education and Awareness

As part of clinical services, the team will work on health education and awareness programs to educate the community. To create awareness in health and lifestyle, Total Health services team will reach the community door steps and will provide the education and awareness in Thavanampalle Mandal, Irala, Krishnapatnam etc.,

b) Mobilization

To create awareness on health issues and to increase Total Health service touchpoints, the team will reach the community door steps to motivate the community. More number of people were reached via the mobilization teams across locations to engage in health awareness activities.

c) Celebrations of International Yoga Day

Every year Total Health would celebrate the International Yoga Day. For this event, Total Health would invite the yoga beneficiaries and community from Thavanampalle Mandal and would observe the theme of the year.

d) Volunteering Program

Total Health started its volunteering programme in Amrabad and Aragonda in August'22, exposing 50 plus volunteers to rural living.

e) Sports -Way out for Youth Development

Under the banner "Bringing people together for creating a better tomorrow through sports", TH organizes a Rural Sports Meet on a regular basis for the youth of Thavanampalle Mandal and Amrabad. Idea behind is to engage and involve all sections of the community in constructive work so that they would be mentally, physically, spiritually and socially fit to take forward the challenges in their respective life and strive to keep the community at large healthy. Also, TH provides sports materials and prizes to encourage the youth to actively participate in sports and other village development activities.

f) Community Hall & Playground

An inhabitant of Aragonda village gave four acres of land to TH for establishing playground facilities to the people of Thavanampalle Mandal. Accordingly, a community hall, stadium, gymnasium and meditation centre were constructed on the said land.

g) Solar Street Lamps

TOTAL HEALTH

(A Company licensed under Sec 8 of the Companies Act, 2013)

U85100TN2013NPL093963

Notes forming part of Financial Statements as at March 31, 2026

(All amounts are in INR Lakhs unless otherwise stated)

As commitment towards natural resource conservation, TH installed and maintains thirty-five street solar lamps in and around Aragonda Gram Panchayat with support from Philips, India.

II. PLANET

Total Health now works through the lens of the health of both people and the planet.

Skilling centres have been rebranded Green Skilling Workshops with the Govt of India definition of providing “jobs that protect ecosystems and biodiversity, reduce energy, and minimize waste and pollution.”

Renewed stress on sourcing of seeds and eating local food, by examining the diets at the geriatric nutrition centres and ensuring nutrition diversity; also distributed seeds for kitchen gardens to enable food security and safety.

Vanam-Manam: Tree saplings are purchased and distributed to villagers.

III. PARTNERSHIPS

Signed an agreement with McKinsey Health Institute to construct a playbook for the Total Health model.

Signed an agreement with Apollo Institute of Medical Sciences and Research, Chittoor, to strengthen community health work with medical students and doctors.

Applied to ICMR for a research project along with Apollo College of Nursing, Chittoor.

Joined hands with the Govt of Andhra Pradesh to distribute nutrition kits for the on-treatment of TB patients.

Signed a MOU with Reckitt Benckiser to provide hygiene education to school children, teachers, and health workers in Chittoor dist. of AP.

1.2 Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) read with the Companies (Indian Accounting Standards) Rules, 2015 under the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, wherever applicable.

1.3 Uses of Estimates and Judgments

The preparation of financial statements in conformity with Ind AS requires the management to make estimates, judgment and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates and assumptions have been disclosed in notes. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made.

1.4 Critical Accounting Estimates and Judgments

a) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. In addition, the following criteria must also be met before revenue is recognized:

i. Voluntary contributions are accounted for on the date of receipt.

ii. Voluntary contributions received during the year are towards the objectives of the Company.

b) Taxation

The Company has received License dated 13th November 2013 under Section 25 of the Companies Act 1956 (Sec.8 of the Companies Act, 2013), and is registered under the Act on 29th November 2013. As the Company has been granted registration under Section 12AA of the Income Tax Act, 1961 for claiming income as exempted income under Section 11 & 12 of the Income Tax Act 1961, no provision for income tax has been made and deferred tax liability / asset not calculated.

c) Property, Plant & Equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method.

TOTAL HEALTH

(A Company licensed under Sec 8 of the Companies Act, 2013)

U85100TN2013NPL093963

Notes forming part of Financial Statements as at March 31, 2026

(All amounts are in INR Lakhs unless otherwise stated)

Property, plant and equipment are stated at the written down value. Cost includes taxes, duties, freight and incidental expenses relating to acquisitions and bringing them to their intended use. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in income and expenditure statements.

d) Inventories

In the light of Total Health's non-commercial activities, there were no inventories as of March 31, 2026.

TOTAL HEALTH

(A Company licensed under Sec 8 of the Companies Act, 2013)

U85100TN2013NPL093963

Notes forming part of Financial Statements as at March 31, 2026

(All amounts are in INR Lakhs unless otherwise stated)

2. Property, Plant and Equipments**Accounting Policy**

Property, plant and equipment are stated at cost less accumulated depreciation and impairment if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use. The charge in respect of periodical depreciation is derived at after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The Company depreciates property, plant and equipment over their estimated useful lives using the straight line method. The estimated useful lives of assets are as follows:

Building	30 years
Plant & machinery	5 - 15 years
Lab Equipment	5 - 10 years
Medical Equipment	10 - 13 years
Office Equipment	5 - 15 years
Computers	3 - 6 years
Intangible Asset (Software)	4 years
Furniture & Fixtures	5 - 10 years
Vehicles	8 years
Refrigerators	15 years
Mobiles & Tabs	3 - 5 years
Other Equipment	3 - 15 years

Depreciation methods, useful lives and residual values are reviewed periodically including at each financial year end. The useful lives are based on historical experience with similar assets as well as anticipation of future events which may impact their lives such as changes in technology.

Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance cost are recognised in the statement of income and expenditure when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognised in the statement of income and expenditure.

4. Intangible Assets**Accounting Policy**

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.
