RESPICRIT-26

Pulmonary & Critical Care

Advancing Care, One Breath at a Time.

10th Saturday
&
11th Sunday, October, 2026

ITC GRAND CHOLA, CHENNAI

Respicrit

Pulmonary & Critical Care

Advancing Care, One Breath at a Time.

We at Apollo Speciality hospitals Vanagaram, present a unique academic experience, first of its kind, that showcases the dynamic interplay between the worlds of Respiratory Medicine and Critical care Medicine creating a platform for meaningful dialogues, shared expertise and Collaborative learning.

Respicrit '26 aims to Catapult deep learning and enhance clinical understanding of complex and evolving topics such as ARDS, mechanical ventilation, bronchoscopy, lung ultrasonography, ECMO, and much more.

It promises to be an exhilarating academic feast for Pulmonologists, Anaesthesiologists, Intensivists, ER Physicians, General Practitioners, and the student community at large - bringing together passionate minds committed to advancing the art and science of caring for critically ill patients.
